Dear Madam/ Sir,

Sub: Update on Port Operations under Regulation 30 (4) Schedule III Part B of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Ref: Company Letter dated 30th May 2023 to the Stock Exchanges

This letter by Gujarat Pipavav Port Limited ('the Company') is in continuation with the previous letter dated 30th May 2023 informing about a Force Majeure event on 29th May 2023. The Port Operations at Pipavav were impacted due to complete disruption of the grid power supply.

Kindly note the vessel operations have commenced yesterday evening at the port with the commissioning of DG Sets, additionally hired by the Company. Meanwhile, the restoration work of the uprooted power transmission towers of Gujarat Electricity Transmission Company Limited (GETCO) is in progress. The Company shall keep the Exchanges updated once the GETCO grid power supply is operational.

The Company also clarifies that considering the vessel operations are being carried out through the hired DG sets and not through the grid power supply, the Force Majeure continues and has not been lifted.

This letter may kindly be treated as an intimation under Regulation 30(4) Schedule III Part B of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The letter is also being made available on the Company website www.pipavav.com

Thank you,

Yours truly,
For **Gujarat Pipavav Port Limited**
